

Carbon Capture and Storage Conference (CCS 2024)

Wednesday 04. December

Hour:	Description:
10:00	Registration and Coffee
10:30	Welcome! Rikke Elsøe Bruhn, Lead Geoscientist Subsurface - Equinor & Chair of the Organising Committee
	Key notes Moderator: Rikke Elsøe Bruhn, Lead Geoscientist Subsurface - Equinor and Chair of Program Committee Lars-Jakob Alveberg, Norwegian Ministry of Energy and Program Committee
10:40	Keynote Astrid Bergmål, State Secretary - Ministry of Energy
11:10	The energy and climate transitions: Globally, and in Norway Bjørn H. Samset, CICERO - Norway's leading institute for climate research
11:35	Implications on EU legislation for Norway Catherine Banet, Professor. Scandinavian Institute of Maritime Law. Head of the Department for Energy and Resources Law - University of Oslo
12:00	Lunch
	From Brussels to the North Sea - with love Moderator: Trine Mykkeltvedt, NORCE and Program Committee Ole Johan Østvedt, Nemo Maritime and Program Committee
13:00	Department comment to legislation & regulations update Pia Malene Andersen, Advisor, Carbon Capture and Storage. Norwegian Ministry of Energy
13:20	Bellona recommendations to Oslo Economics report. Politics and framework for CO2 storage in Norway Cathrine Ringstad, Seniorrådgiver CCS - Bellona

HOUR:	DESCRIPTION:
13:40	Germany's approach to the recently published Carbon Management Strategy Dr. Beate Baron, Deputy Director-General , Decarbonisation, climate action and environmental protection in industry - Federal Ministry for Economic Affairs and Climate Action, Germany
14:10	Break
	From Brussels to the North Sea - with love Moderator: Ingvild Syvertsen, Head of Marketing and Commercial Operations - SLB Capturi and Program Committee Vebjørn Bakken, UiO and Program Committee
14:40	Equinor's perspective to the regulatory framework for carbon management in Europe/EU Johanna Fiksdahl, Lead Policy & Regulatory Affairs Advisor - Equinor
15:00	Denmarks approach to CO2 storage - operational model, license politics and forecast Henrik Sulsbrück, Head of Division CCS - Energistyrelsen
15:20	German CO2 management policies and Equinor's take on them Nina Scholz, Country Manager Germany / Head of Berlin Office Equinor Deutschland GmbH
15:50	Break
	Operators View Moderator: Emil Sirnes Aasen - Leader Competence Center, Regional And Business Development - Equinor
16:10	New licenses. Introduction to licensing process. Role of Norwegian Offshore Directorate and view on going forward Jorge Sanchez-Borque, Discipline coordinator, Geosciences - Norwegian Offshore Directorate
16:25	Session with the CO2 storage operators on the NCS

HOUR:	DESCRIPTION:
	Aurora license, business drivers, identified obstacles and potential recommendations Henrik Ohrt, CCS Subsurface Manager - Northern Lights JV
	Smeaheia license, business drivers, identified obstacles and potential recommendations Astrid Helland Tingstveit, Project Manager - Equinor
	Luna license, business drivers, identified obstacles and potential recommendations Kevin Meisel, Country Lead CCS & Hydrogen Norway - Harbour Energy
	Havstjerne license, business drivers, identified obstacles and potential recommendations Kevin Meisel, Country Lead CCS & Hydrogen Norway - Harbour Energy
	Poseidon license, business drivers, identified obstacles and potential recommendations Ørjan Jentoft, CCS Manager, Aker BP
	Atlas license, business drivers, identified obstacles and potential recommendations Ørjan Jentoft, CCS Manager, Aker BP
	Trudvang license, business drivers, identified obstacles and potential recommendations Caroline Svae, Commercial/BD Manager for Trudvang CCS - Sval
	Iroko license, business drivers, identified obstacles and potential recommendations Rhoar Lindanger, CCS Manager - Vår Energi
	Panel discussion with all the above - challenges experiences Moderator: Emil Sirnes Aasen, Leader Competence Center - Regional And Business Development - Equinor
17:30	End day 1 Rikke Elsøe Bruhn, Lead Geoscientist Subsurface - Equinor & Chair of the Organising Committee
18:30	Aperitif and CCS demo Dr. Martin Fernø - University of Bergen Geir Terje Eigestad, Subsurface Manager, Partner Operated Assets - Harbour Energy
19:00	Conference Dinner

Thursday 05. December

HOUR:	DESCRIPTION:
08:30	Welcome day 2 Rikke Elsøe Bruhn, Lead Geoscientist Subsurface - Equinor & Chair of the Organising Committee
	Minimizing Risk, Maximizing Business Moderator: Muhammad Saeed, SME CCUS & Hydrogen - Aker Solutions and Program Committee Frank Wettland, Project Manager, New Venture CCS - Altera and Program Committee
08:40	What you need to know on how banks can increase return on investments and reduce risks Jan-Erik Berre, Senior Vice President, Energy Division, New Energies and Utilities - DNB Bank
09:05	How to lower the cost of CCS projects Janne Harstad Rasten, Project Manager CCS projects - Aker Solutions
09:25	Enabling cost-efficient CO2 transport to offshore storages in Northern Europe Donghoi Kim, Research Scientist - SINTEF Energy Research
09:45	Management of pressure interference - Challenges and solutions Jørg Aarnes, Fagsjef CCS og Hydrogen - Offshore Norway
10:15	Break
	Minimizing Risk, Maximizing Business Moderator: Vivek Bakke Lie, Senior Advisor Low Carbon Solutions - Halliburton and Program Committee Cedric Fayemendy, CCS Subsurface Lead - Vår Energi and Program Committee
10:35	Collaborating for carbon solutions: strengthening partnerships and infrastructure Camilla Brox - Sustainability Specialist for Ecosystem Integration

HOUR:	DESCRIPTION:
10:55	Enabling effective CCS value chains Maje Müllenborn, Associate Manager, Ramboll Management Consulting & Project Manager, CCUS Mid-Norway
11:15	Building a shared CO2 transport infrastructure on Haugalandet: Enhancing project viability across industries Karoline Sjøen Andersen, Project Manager - Haugaland Næringspark
11:45	Break
	Minimizing Risk, Maximizing Business Moderator: Muhammad Saeed, Aker Solutions and Program Committee Ingvild Syvertsen, SLB Capturi and Program Committee
12:05	Ørsted CO2 business drivers Lars Bruun Sørensen - Head of CCX, Ørsted
12:25	Beyond Longship - How to strengthen financial sustainability in CCS projects Pia Prestmo, Heads Public Affairs - Heidelberg Materials
12:55	End of Conference Rikke Elsøe Bruhn, Lead Geoscientist Subsurface - Equinor & Chair of the Organising Committee
13:00	Lunch
