## Hydrogen 2023

## Tuesday 17. October

HOUR:	DESCRIPTION:
08:30	Registration
09:00	<b>Welcome!</b> Brita Holstad, Transitus Energy and Chair of Program Committee
09:15	Blue, green or grey hydrogen. Competition or cooperation? Ulrik Olbjørn , Equinor Hans Jörg Fell, Aker Solutions
09:40	Regulators, supporting or delaying? Marianne Nærø, Norwegian Hydrogen
10:05	IRA - How does it impact the European industrial future? Jonas Erraia, Menon
10:30	How to prioritize fast access to electrical energy? Halvor Lie, Statnett
10:55	How to accelerate funding for hydrogen value chain? Arve Solheim, Enova
11:10	Which role can Innovation Norway take to support the emission targets? Ivar-Jo Baunbæk Theien, Innovasjon Norge
11:25	Lunch
12:25	How has Nel benefitted from funding schemes? Torstein Herbert, Nel
12:40	How has Hystar benefitted from funding schemes? Magnus Thomassen, Hystar
12:55	Panel debate Enova, IN, NEL and Hystar
	Technology

HOUR:	DESCRIPTION:
13:20	<b>Technology development</b> Hans Hide, Nel Birgitte Nordvik , Nel
13:45	How to measure Hydrogen volumes? Klaus Mosbacher, H2 Control
14:10	<b>Why liquid Hydrogen?</b> Ivan Østvik, Norled
14:35	Break
15:05	Production of turquoise Hydrogen from Natural gas without CCS or CO₂ emission Arne Godal, Xgas
15:30	Norwegian gas, for how long? Erik Nilsen Rundell, NPD
15:55	Hydrogen consumes energy, why not use electricity? Erkki Härö, Sweco
16:20	<b>Hydrogen pipelines to Europe</b> Svein Erik Losnegård, Gassco
18:30	Aperitif
19:00	Conference dinner Dinner speech by author/industrial senior advisor at Sweco Elisabeth Gammelsæter: "Not In My Neighbourhood: is it possible to successfully introduce and establish challenging industrial initiatives in Norway in 2023? Dilemmas and challenges"

## Wednesday 18. October

HOUR:	DESCRIPTION:
08:30	Welcome!
	The Market - How to make money?

08:45     How to build the hydrogen industry and supply chain? Ottar Kristiansen, Aibel       09:10     Who is in charge of developing the hydrogen marked? Julian Hencher       09:35     When will we have a working hydrogen marked? Steffen Møller-Holst, SINTEF       10:00     Why invest in Hydrogen? Bjørn Simonsen       10:25     Break       10:45     Nuclear Power, part of the solution? Håvard Kristiansen, Norsk Kjernekraft       11:10     Aker Horizons' experiences from the Hydrogen space Knut Nyborg, Aker Horizon       Knut Nyborg, Aker Horizon     Panel debate: Why does Hydrogen production in Norway make sense? Elias Braunfels og Finn Gjerull Rygh - Oslo Economics Morries Bjelland Botne, Fagsjef juridisk - Offshore Norge Norge Norge Steffen Møller-Holst - SINTEF Magnus Killingland - DNV       12:45     End of Conference Odd-Arne Lorentsen, Gen2Energy Bjørn Bjerke, PWS       13:00     Lunch	HOUR:	DESCRIPTION:
09:10     marked? Julian Hencher       09:35     When will we have a working hydrogen marked? Steffen Møller-Holst, SINTEF       10:00     Why invest in Hydrogen?
