Dear Colleagues,

The Norwegian Petroleum Society (NPF) provides the industry's most important meeting places for professional discussion and exchange of new knowledge – independent of financial and political interests. NPF organise approx. 20 different conferences every year, in addition to a number of smaller conferences and meetings staged by our 14 local chapters.

NPF are always interested in teaming with organisations that could benefit the audience and are currently seeking financial sponsors for the upcoming The Biennial Geophysical Seminar 9-11 March 2020 in Oslo.

For programme and more information about the conference, please see NPF's website.

Please find the various sponsorship/exhibitor packages below which are available:

(50,000.00 NOK) Main sponsor of the conference
As main sponsor of the conference the following benefits will be included:
- 2 x Full Conference Passes including Get-together (9 March) and conference dinner (10 March)
- Company logo in all communications regarding the conference, including NPF's website
- 1x full page in the conference programme for advertising your company
- Stand exposure in the breakout area
- Main sponsor will be announced during the conference
- Logo to be featured on screen during breaks

(30,000.00 NOK) Main sponsor of the ice-breaker 9th of March
As main sponsor of the ice-breaker the following benefits will be included:
- 1 x Full Conference Passes including Get-together (9 March) and conference dinner (10 March)
- Company logo in all communications regarding the conference, including NPF's website
- Stand exposure in the breakout area
- Main sponsor will be announced during the Get-together
- Logo to be featured on screen during breaks

(20,000.00 NOK) Exhibiting Stand
- Stand exposure in the breakout area both days (10-11 March)
- 1 x Full Conference Passes including Get-together (9 March) and conference dinner (10 March)

Thank you for considering this request.

Kind regards,

Tonje Raknes
Project Manager
